Your benefits and options explained...

Standard benefits

Accident and sickness benefit

Cash benefits between €300 and €3,000 monthly

If you are off work due to accident or sickness, the policy will pay you 1/30th of your monthly benefit for each continuous day you are off work – once your deferred period has elapsed. You will receive this benefit for your chosen benefit period, or until you return to work – whichever occurs first.

The maximum monthly benefit is 60% of your gross monthly income if you are employed, or 60% of your taxable monthly income if you are self employed.

We can also cover non-working partners for up to €350 a month. Please read the Policy Document for full details on their benefit entitlement and eligibility.

Hospitalisation benefit

Cash benefits between €30 and €300 daily

If you or an insured member of your family are hospitalised for more than 48 hours, the policy will pay you 10% of your monthly benefit for each subsequent 24 hours that you remain in hospital. This is payable for up to 30 days per insured person per policy year.

In addition you will still receive your monthly benefit.

Optional benefits

Deferred Period options

The deferred period is the period of time you must wait before any monthly benefit becomes payable. The following are available: 14 days, 30 days, 13 weeks and 26 weeks.

Benefit Period options

The policy can pay you the monthly benefit for a maximum of 12 or 24 months.

Frequently asked questions

Who can apply?

You must be:

- > Aged 18 years old or over, and under 60.
- > Working (for a minimum of 16 hours per week if you are employed) or self employed.
- > Not medically certified as unfit for work.
- > A resident in the Republic of Ireland.

How do I apply for cover?

When you apply for this plan, you are guaranteed cover under our moratorium clause. This means there are NO lengthy medical questionnaires, NO examinations, NO waiting for GP reports required to process your application.

The quick and simple application process means you can get covered without delay.

Please note we will not pay benefits if your accident or sickness or hospitalisation results from any pre-existing medical condition as defined in the Policy Terms unless you have been symptom-free and not received treatment or advice for that condition, for at least two years preceding the incident date (the date at which the accident or sickness occurred) and can provide medical records for this two-year period for us to review.

Any new medical conditions are not affected and will therefore be covered, subject to the policy terms and conditions and your chosen deferred period.

What isn't covered?

In common with other accident and sickness plans, our plan does not cover you for the following:

- > Normal pregnancy
- > Drug addiction or alcohol abuse
- > Back condition, whiplash or neck injuries
- > Mental illness or stress
- > If you are away from the European Union for more than 90 days
- > Sickness for the first 90 days of the plan.

Please read the Policy Document for full details and exclusions.
