THE APRIL IRELAND PERSONAL ACCIDENT PLAN

We all believe 'it will never happen to me' but I'm sure you are aware of someone who has suffered a serious accident – either at work, in a car or at home.

Ask yourself... What would happen if you suffered a serious injury?

It's likely you'll need to take some time off work to recover, which could hit your earnings. Then there may be other financial costs - perhaps you'll need to make changes around the house or other expensive lifestyle changes. Let's not forget the inconvenience and disruption to your life and those around you either.

This is why the APRIL Ireland Personal Accident Plan could prove invaluable. It pays out a lump sum benefit if you suffer a specified injury, so you can concentrate on getting better without having to worry about money.
